Our communication

At Santander Bank Polska we have been close to our customers. We support them in important matters and daily challenges so that they can focus on what really matters to them.

360 - ATL campaigns, digital and social media

Last year we ran campaigns targeting the Mass, Young and SME segments.

Campaigns targeting the Mass segment:

- Campaigns in the mobile application:
 - **Santander helps you in daily banking,**
 - **Santander Application comes in handy when you travel** - FX currency exchange at Kantor (currency exchange) and one card for multiple currencies,
 - **The application helps in relevant matters** - free-of-charge instant transfers.
- Deposit campaign **"Santander helps save money"** - with an interest rate of 6% on up to PLN 100k for new money.
- **We help teenagers get financially literate** campaign - account with PLN 150 pocket money for a good start.

Campaigns targeting the Young segment:

- **A teenager's account campaign** aimed at younger audience, showing how good saving habits can become automatic thanks to the Santander mobile app.

Campaigns targeting the SME segment:

- Free-of-charge business account and many tools that come in handy when you run your business. We depict hardship as well as the pride and satisfaction from running your own business.
- **Educational campaign for new entrepreneurs** who want to start or develop their business. A series of webinars that proves Santander is the market expert in customer service.

Digital & Social media initiatives

- Our social media now include 15 profiles on 6 platforms. In the last year 304,000 fans followed the bank's profile on Facebook, 8.3 fans on Instagram and 41.5,000 fans on TikTok and we reached over 22.7 million followers. We focused on building reach, brand image, and relationships with our audience. In 2024, we also decided to merge Santander Universidades' Facebook profile with the bank's main profile, in line with group strategy "less is more" - we will ensure synergies in our actions.
- We have been ranked 2nd in the Golden Banker competition (Social Media category). This is the second time we are on the podium in this category. Our actions were recognised for outstanding communication, building engaging content on profiles and non-intrusive product promotion.
- Tik Tok recognised our profile as a benchmark in the financial sector. This recognition is especially important as our channel has been on the platform for over a year and is our fastest growing profile.
- We have implemented the following additional campaigns:
 - Santander Letnie Brzmienia summer music festival.
 - Education and development for people of all ages through Santander's training courses (foreign languages, soft skills and new technologies), an educational platform for children - Finansiki - and webinars for entrepreneurs.
 - Cyber-security awareness - we have been successfully implementing activities as a part of our 'Don't Believe in Fairy Tales' campaign for the past 3 years. Customers love the stories and share them widely.
 - Select segment image in the Get more out of life campaign. We wanted to inspire affluent customers with our offer and show them opportunities for growth in the area of finance and their passions.
 - Products and services: new Visa Bonus credit card with 1% cashback, app functionalities, an offer for the SME segment, as well as promotion of the Work Café network.
 - Specific image targets - reach, engagement, views. These activities have enabled us to systematically build a community on the bank's profiles and develop them.

Our people

Improving employee experience

- We implemented a platform for collaborative design, testing and validation of solutions. This is to ensure better experience and more innovative solutions for our customers and employees.

Digital experience of our people

- We launched a mobile version of the portal in which employees can handle nearly all HR-related tasks in a digital, quick and convenient way. The mobile version offers better control of personnel matters without the need to contact HR specialists.

Development and training

- As part of the human-to-human leadership transformation, we introduced a range of measures (including development programmes and tools) to upgrade the skills our leaders in this respect.
- We created the Development Zone, a portal which facilitates professional development and career management. Not only is it a practical tool for our employees, but it also supports life-long learning promoted at our bank.

Corporate culture

- We are a partner of the report of the Inclu(vi)sion Congress: “New vision of an open labour market for persons with disabilities” (Activation Foundation).
- In October, the 7th edition of “I am a Leader” programme organised by Vital Voices Poland was launched, with Santander Bank Polska as the strategic partner.
- On 3 December, which is the International Day of Persons with Disabilities, a range of global and local initiatives took place, including a webinar organised by the Differently Abled employee network.

Occupational Health & Safety and Wellbeing

- In November, the second edition of the OHS experts meeting was held, bringing together representatives from the administration and office sector. The speakers included, among others, the Chief Labour Inspector and the Head of the Central Institute for Labour Protection. As the only event of its kind in Poland, the meeting offers excellent opportunities for knowledge and experience sharing.
- We are the only bank in Poland to have received the Safety at Work Leader Green Card accolade.
- To celebrate the World Mental Health Day, on 10 October we published the “Master mental resilience” guide.
